The Great Exchange has visited over 130 college and university campuses in the United States, United Kingdom, Brazil, Germany, and Hungary. We work alongside other ministries where one-day events feature volunteers and open-air conversations about Jesus. We are based in Watkinsville, Georgia. The Great Exchange is always looking for more churches and ministries with which to partner! Are you interested in hosting The Great Exchange on your campus? In your community? If you would like to join us on campus one day, let us know!

You can contact Diane Deans and Kelsey Flowers at 706-338-2309, visit our website at www.thegreatexchange.org, or email us at info@thegreatexchange.org. We'd love to hear from you!
